Respectfully returned

2 The plan is verified by  
the Circle Inspector Karajagi. The  
measurement papers in connection  
with the same are herewith submitted.

3 The draft notification is  
herewith submitted. The owner of  
the land demands Compensation  
at the rate of Rs 200 per acre which  
comes to Rs 35 and besides he also  
claims rupees ten as price of  
sesamum crop now standing on  
the land. The Panchas estimate  
the price of the land at Rs 100 per  
acre. Taking this to be the guide

the price of the lands to be acquired will be Rs 17-8- and the sum to be awarded at 15 percent on the market value for compulsory acquisition will be Rs 2-10-. The cost of acquisition will thus be Rs 20-2-. If the Sesamum crop be not removed by the time of acquisition an additional award of Rs 5 may be made. The statement of the owners before the Circle Inspector and the pauchanama drawn up by the Village Officers as to the price of the land accompany.

Extracts from the record of rights of S. no. 93 is herewith submitted. The village officers report that there are no sale transactions in the neighbouring fields recently. The report from village officers accompanies.

(12)15-

The s. no. in question is a  
government land and hence extract  
from Village Form no. 9 is not submitted
